Walaikumussalam Ibu Harlina.

Mengenai proofreading, artikel tersebut hanya bisa di proofread oleh pihak native proofreader. Saya pribadi sebagai editor tidak memiliki hak dan kewenangan serta kapisitas untuk melakukan proofread.

Namun, saya bisa menyarankan Ibu Harlina untuk melakukan proses proofreading dengan instansi yang telah melakukan banyak proofreading terhadap jurnal yang telah terbit di Journal Depik. Silahkan untuk menghubungi dan berdiskusi dengan pihak mereka:

Umumnya, setelah proses acceptance, semua artikel wajib melakukan "proofread" yang sejatinya di lakukan oleh seorang native proofreader. Author dapat mengajukan artikel yang ingin di "proofread" melalui jasa proofreading.

Artikel author nantinya akan dilakukan pengecekan kalimat serta penulisan yang benar oleh native proofreader. Untuk itu, semua artikel yang diterima di Jurnal Depik wajib melakukan "proofread".

Author dapat menghubungi salah satu jasa proofreading yang berkompeten terutama di bidang kelautan dan perikanan, kami sangat merekomendasikan Linda Hamilton: dengan nomor kontak: +62 852-9073-5358

Setelah selesai proses proofreading, maka pihak jasa proofreading akan mengirimkan artikel yang telah dikoreksi, beserta Certificate of Proofreading dan Receipt Payment (contoh tertera)

Artikel yang telah dikoreksi, Certificate of Proofreading dan Receipt Payment kemudian harus di submit ke sistem atau mengirimkan langsung ke email editor.

Terima kasih atas perhatian nya.

Salam.
