Dear Dr Suharni,

Thank you for your recent submission to Journal of Multidisciplinary Healthcare, titled "Antidepressant Adherence Among Hispanics: Patients in an Integrated Health Care Model" which has been received.

You uploaded the following files with this submission:  
 404309-ms.docx

**CONFLICT OF INTEREST DISCLOSURE**

Please now complete the disclosure form by clicking on the following link:  
[https://www.dovepress.com/icmje\\_coi.php?submission\\_id=404309&author\\_id=1842123&t=taknlrsfkytkcir](https://www.dovepress.com/icmje_coi.php?submission_id=404309&author_id=1842123&t=taknlrsfkytkcir)

The purpose of this form is to provide the Editor-in-Chief of Journal of Multidisciplinary Healthcare with important information about your possible conflicts of interests. The composition of this form follows that of the International Committee of Medical Journal Editors (ICMJE) standard and further demonstrates our commitment to the highest ethical and professional standards.

The form is designed to be completed and stored electronically. When the manuscript has been sent for peer review each author will receive an individual email like this and should submit a separate form. Each author is responsible for the accuracy and completeness of the submitted information.

What happens next:  
 =====

Your submission will be given an initial review to ensure its suitability for Journal of Multidisciplinary Healthcare. Once that has been completed, your submission will be forwarded for decision.

What to do if you have questions:  
 =====

At any time throughout the submission process you are welcome to contact the Editorial Team should you have any questions about your submission. The status of your submission can also be tracked through DoveCentral. You will automatically be notified of changes in the status of your submission.

A reminder of manuscript submission terms and conditions:  
 =====

Please note that your submission has been received on the basis that you are in agreement with the terms and conditions which you were asked to consent to during the submission process. These are outlined again below and are available in full on the website ([https://www.dovepress.com/author\\_guidelines.php?content\\_id=772](https://www.dovepress.com/author_guidelines.php?content_id=772)).

- The submission is in compliance with the author guidelines and any applicable journal-specific guidelines; and,
- My co-authors (if any) have authorized me to submit our manuscript; and,
- I am not in a conflict of interest; and,
- I have read and understood the copyright terms; and,
- The manuscript I am submitting is not currently under consideration for publication in another journal, nor has it been published in another journal; and,
- I have clearance to reproduce any copyrighted material; and,
- Nothing in the submission is unlawful, libelous or would constitute a breach of contract or confidence or commitment to secrecy; and,
- I absolve Dove Medical Press Ltd from all legal liability arising from my submission; and,
- I have taken due care to ensure integrity of the submission and according to currently accepted scientific knowledge all statements in it purporting to be facts are true.

Changes to authorship  
 =====

Dove does not permit the changing/adding/deleting of authors after submission of the paper. We support the GPP3 guidelines that indicate addition or removal of an author should only happen in rare cases, such as the work changing substantially in response to the reviewer or Editor's comments.

Many thanks for your submission.

Yours sincerely

Dear Dr Suharni

Congratulations on having your Letter to the Editor "Antidepressant Adherence Among Hispanics: Patients in an Integrated Health Care Model" accepted for publication in the journal "Journal of Multidisciplinary Healthcare".

I am pleased to be managing your letter through the final part of the publication process.

Your letter is in the queue for me to prepare and check all files to send to our typesetter for processing.

As your Letter to the Editor is in response to a recently published paper by "Mr Kunz-Lomelin" entitled "Antidepressant Adherence Among Hispanics: Patients in an Integrated Health Care Model", we have forwarded a copy of your letter to them to give them the opportunity to comment/respond.

If they wish to respond we will link their response to your letter when it is published and you will receive an email notification.

Kind regards
