Dear Professor Wang

We would like to thank the Editor and Reviewers for their detailed and helpful feedback regarding our manuscript. Let us attach our updated manuscript according to the KM&EL Journal format .

We have added DOI numbers to Journals except "Junaidi, J., Chih, W. H., & Ortiz, J. (2020). Antecedents of information seeking and sharing on social networking sites: An empirical study of Facebook users. International Journal of Communication, 14(October), 5705–5728." which the journal is not yet a DOI number.

The manuscript has been double checked to make sense of grammatical and spelling errors and also between citations and references.

However, if there were specific ways, you would like us to address any remaining concerns, please let us know.

Sincerely yours
The Authors
