Dear Dr. Abd. Malik,

As per our guidelines, we follow a double-blind peer review process for refining the content quality of our journal. It means we get a minimum of two-three reviews done for each article.

Attached here is the first, second, and third review report of your article, we have already sent you the First review report.

We request you go through both reports and send us the final highlighted revised file including corrections suggested by the reviewer.

Also kindly send us the author's response form addressing the comments of the reviewer.

Attached here is the Author Response Form.

We do request you kindly acknowledge this mail once received.

Kindly send us your final revised file at your earliest.
