Distinguished Drs. Suharni Suharni and Haeril Amin:

We are very pleased to send you in attachment the Galley Proofs (PDFs) of the manuscript titled: **Effect of Workload, Work Shift, and Work Stress on Burnout of General Practitioners at Makassar Regional General Hospital during the COVID-19 Pandemic**, to be published in volume 131 (Supplement 3) 2023 of the *Gaceta Médica de Caracas*.

We would appreciate a detailed and careful review of the aforementioned PDF and proceed to make the correspondent corrections if required. It is very important to check symbols, Greek letters, incorrect paragraphs, etc, which are the ones in which transcriptionists frequently make mistakes.

If you find corrections/tips, mark them up in the PDF (we recommend using Adobe Reader), do not edit the PDFs.

Please submit corrections/errors within **3 (three)** days.

Thanking you in advance for your attention, we look forward to your response.

Best regards,

Dr. Enrique López-Leyo Editor-in-Chief      Dr. Anita Stern Israel Senior Editor
