Dear Dr. Virsa Handayani,

Thank you for submitting your manuscript, entitled "IN VIVO AND IN VITRO ANTIDIABETIC ASSAY OF PURIFIED EXTRACT MAHONI SEEDS (Swietenia mahagoni (L.) Jacq)." to the Biomedical and Pharmacology Journal. Your paper is assigned with Manuscript No-BPJ/5751 (Please mention this number in all future correspondence)

Biomedical and Pharmacology Journal is an open-access journal and follows ethical publishing practices defined by COPE and DOAJ.

Your article will be soon sent for peer review to two reviewers. You will be regularly updated on the progress of the review process. We look forward to your cooperation during this process.

Attached is the similarity report of your article, which is too high and needs to be reduced below 10%.

Kindly send the revised file at your earliest.

Also, send us the required details.

- Social media profiles (Twitter, Facebook, or LinkedIn)

Looking forward to hearing from you.

Best Wishes

**Editorial Assistant**

Dear Dr. Virsa Handayani,

As per our guidelines, we follow a double-blind peer review process for refining the content quality of our journal. We get a minimum of two reviews done for each article.

Attached here is the first review report of your article.

However, we have received one review report for your article and will send you the next report soon.

We request you go through the reports and send us the highlighted revised file including corrections suggested by the reviewers.

Also kindly send us separate author's response forms addressing the comments of reviewers.

We do request you kindly acknowledge this mail once received.

We will be looking forward to your prompt response.

Best Wishes

Dear Dr. Virsa Handayani,

As per our guidelines, we follow a double-blind peer review process for refining the content quality of our journal. It means we get a minimum of two reviews done for each article.

Attached here is the Second review report of your article, we have already sent you the First review report.

We request you go through both reports and send us the final highlighted revised file including corrections suggested by the reviewer.

Also kindly send us the author's response form addressing the comments of the reviewer.

Attached here is the Author Response Form.

We do request you kindly acknowledge this mail once received.

Kindly send us your final revised file at your earliest.

Best Wishes

Dear Dr. Virsa Handayani,

As you had sent us the revised file we sent it to our editor for final comment.

We received the comments from the editor written below in bold letters.

**“Refaferences should be numbers and superscript example: epileptic seizure<sup>15</sup>**

**In abstract phrase “As settlement” is used, but it is unclear what that phrase means”**

Kindly address the comments and forward the revised file at your earliest.

Looking forward to hearing from you.

Best Wishes

**Editorial Assistant**

Dear Dr. Virsa Handayani,

As per our guidelines, we follow a double-blind peer review process for refining the content quality of our journal. It means we get a minimum of two reviews done for each article.

Attached here is the Second review report of your article, we have already sent you the First review report.

We request you go through both reports and send us the final highlighted revised file including corrections suggested by the reviewer.

Also kindly send us the author's response form addressing the comments of the reviewer.

Attached here is the Author Response Form.

We do request you kindly acknowledge this mail once received.

Kindly send us your final revised file at your earliest.

Best Wishes

Dear Dr.

Attached is the pdf for proof correction, Please use this proof only for checking the typesetting, editing, completeness and correctness of the text, tables and figures. It is important to ensure that all corrections are sent back to us in one communication with in 2 days. Please check carefully before replying, as inclusion of any subsequent corrections cannot be guaranteed after the correction are send in one single load. Proofreading is solely your responsibility.

Regards

Dr. Meena Iqbal
