Dear Dr. Hasnidar Hasnidar

Evaluation process of the above mentioned manuscript has been reviewed. The comments of the reviewer(s) are included at the bottom of this letter.

The reviewer(s) have recommended publication, but also suggest some revisions to your manuscript. Therefore, I invite you to respond to the reviewer(s) comments and revise your manuscript within the period of defined time.

Because we are trying to facilitate timely publication of manuscripts submitted to journal, your revised manuscript should be uploaded as soon as possible. If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to this journal and I look forward to receiving your revision.

Truly yours,

Editorial Office of Egyptian Journal of Aquatic Biology and Fisheries

Dear Author,

Please use the attached format template of the Journal (that is present in the Guide for Authors section) after correcting your manuscript and stick to all instructions to save time on publishing, and send it to mtkhalil52@hotmail.com, and put the number of the article.
